Greg Ballard - Mayor: SafeTown is a great resource for people to stay informed and safe in Indianapolis. I encourage everyone to utilize the 'Community Alerts' feature to stay up to date with critical events and alerts. You can also report suspicious activity to your public safety agency. In the coming months we will be launching several new features including 'Household Profiles' that will let families create a profile that first responders can use in the event of an emergency. SafeTown will

make Indy a safer place.

Troy Riggs - Public Safety Director: On behalf of the 3,200 Department of Public Safety workforce, welcome to the City of Indianapolis' SafeTown portal. 'One of our goals for the department of public safety is to engage technology and community in partnership to enhance public safety and quality of life for our citizens. I truly believe that when public safety and the community work together, our neighborhoods become safer places to live, work, and play.' If you

have any suggestions and/or comments regarding public safety and quality of life issues within Indianapolis, please share those with our staff at DPS@indy.gov.
